TALENTED-

STUDIOUS . . . He's A LANCER--

A Part of Everything We Do

Foreword

The Lancer needs no identification for he is an inseparable part of you and of your career as a student at Lee. His carefree chatter in the halls, his merry moods at dances, his willful determination during exams, and his tender tears over grades characterize his presence in your being. Without him in you, Lee would be a building without life, a structure without purpose, and a domain without function.

Because of the Lancer's importance to you and because of his value to the school, we, the *Shield* staff, have sought to capture his evasive personality and spirited vitality in this, the fifth edition of the *Shield*. So don your walking shoes and ramble through the pages of this year. Relive exciting experiences, retrace old footsteps, and revive the Lancer spirit in you. Step in tune, step into the *Shield*.

We Commend You-

Mr. Joseph Will

Mr. Will has always been eager to help us.

Mr. Will's welcome smile, ready wit, and genuine interest in the seniors have earned for him a position of trust and of gratitude in their hearts. Every year about three hundred and fifty seniors face the serious and complicated problem of college entrance. Through the guidance and counseling of Mr. Will, however, these problems are solved with success and satisfaction. One would almost believe that his duties are his pleasures, for every moment of his time is devoted to counseling seniors and to arranging openings and opportunities for them to further their education. His motto that there is a college for everyone gives confidence and hope to seniors who sincerely want to go on with their education.

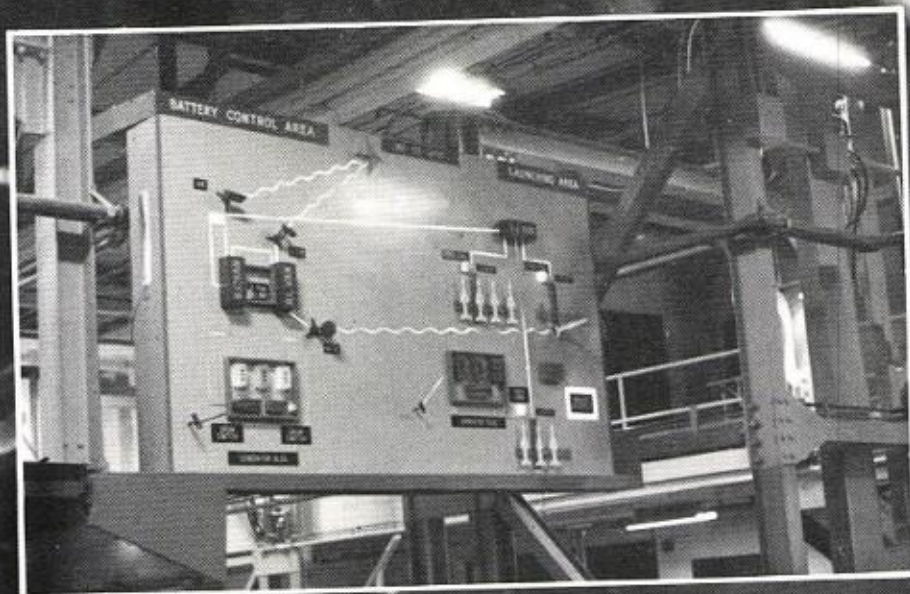

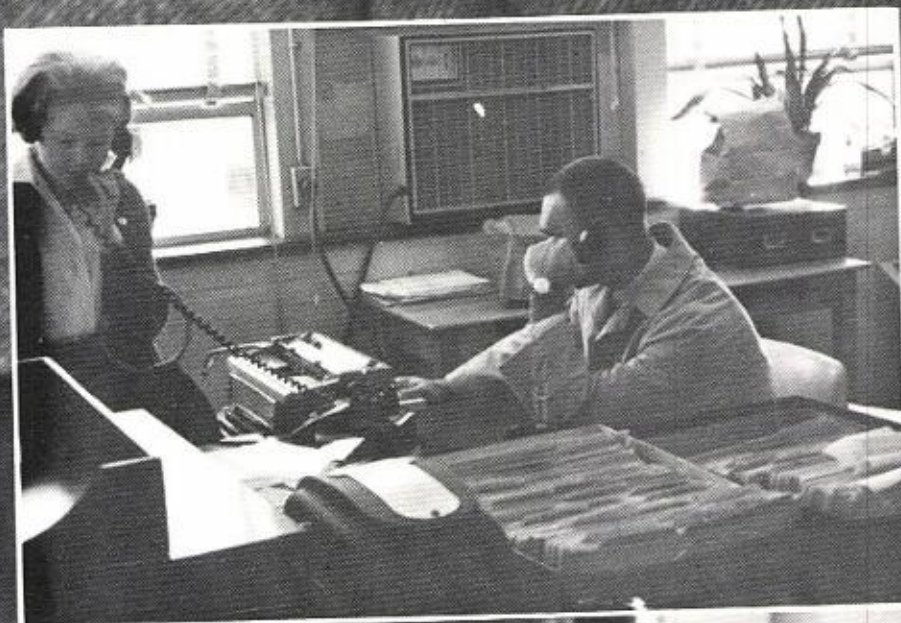

Mr. Will's warm and friendly way with people has enabled him to be a good counselor and teacher. He understands the unique prob-

lems that a student faces and has ever tried to help the student along the road to better education with minimum stops and obstructions. His job is one which is fulltime and ever pending, but one which offers the chance to help the student help himself. To his job he has brought vigor, sincerity, and personal sacrifice, being always smiling, appreciative, honest, and eager to know and to understand the special difficulties of senior life. His office is always open, and he is never too busy to talk with any senior. More than any other single factor, Mr. Will has enabled seniors to plan for their future, and Lee can justly be proud of the accomplishments of this counselor.

With respect and admiration, we the class of '63 commend Mr. Will for a job well done, and hereby dedicate the 1963 edition of the *Shield* to him and to all he stands for.

ADMINISTRAT
AND
INSTRUC

It has been said that a school is no better than its students. It is just as true that the students are no better than the faculty and administration. Lee is very lucky in having teachers that are not only dedicated to their duties, but also take a personal interest in the students. They willingly give many hours of their time to sponsor extracurricular activities that make high school such a memorable event. Whenever we recall a pleasant experience, we remember the people responsible for it.

Principal William C. Parrish

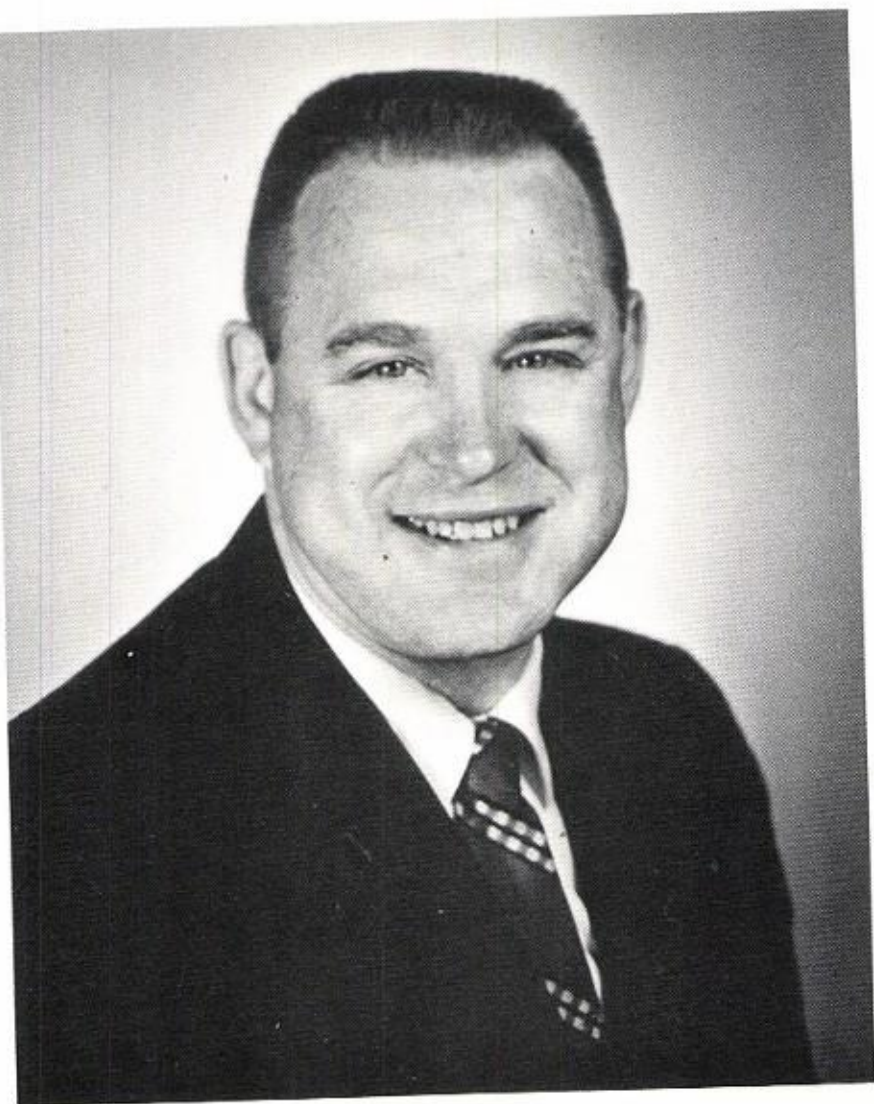

"... To maintain high scholastic standing ..." Mr. Parrish administers the National Honor Society Induction Pledge.

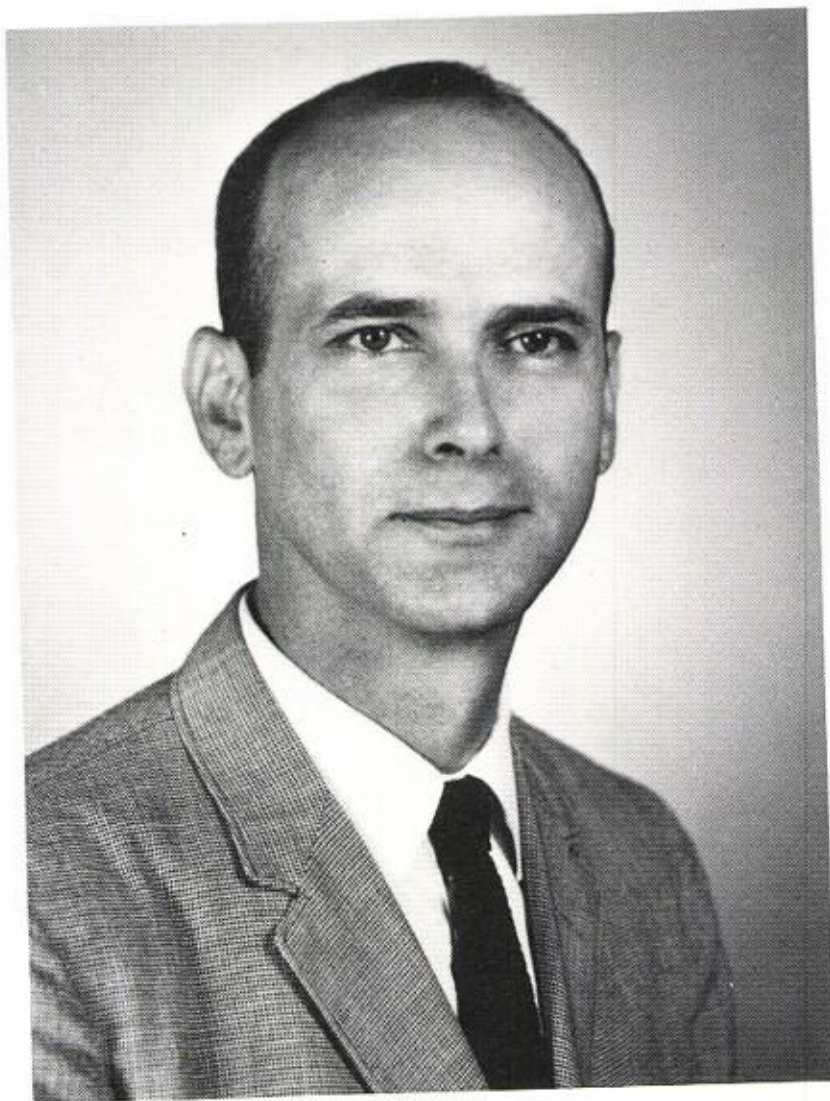

THE PRINCIPAL'S MESSAGE

When the Seniors are presented their diplomas this Spring, they will have the distinction of being the first class to have spent their entire high school career at Lee High School. The class of 1963 has been a part of our growth. Lee High School has come a long way since those September days in 1958 when students were greeted with the sounds of the carpenter's hammer and the brick-mason's trowel. During this period Lee has graduated many students and they are taking their places in colleges and universities across the country. Many of our graduates are already meeting with success in various walks of life.

Each student enrolled at Lee High School is a part of this success story. It is the students and faculty who make the school. Therefore, Lee's success is constantly dependent upon the strength of each individual. Let's continue to make Lee High School a strong and progressive institution.

MR. GLENN C. PIPER
Assistant Principle for Administration

MR. L. A. VLIET
Assistant Principle for Instruction

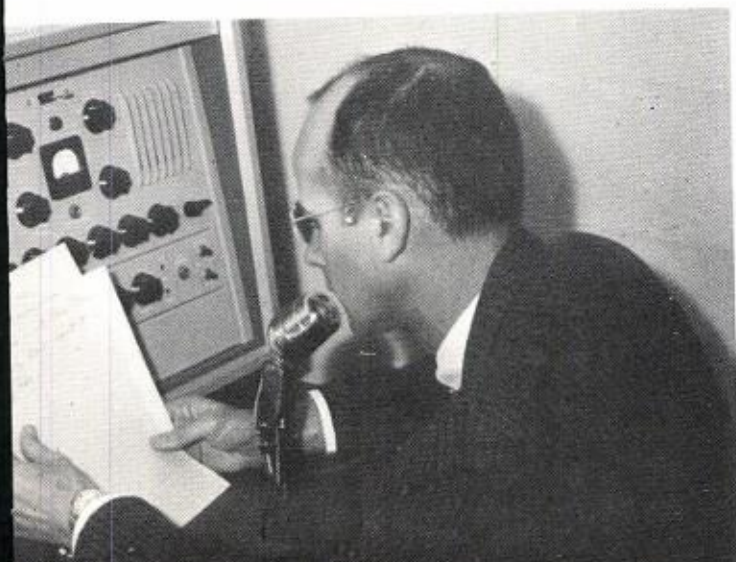

Vice Principals Perform Innumerable Duties

The Assistant Principal for Administration's duties consist of assigning routine and supervising bus transportation, student use of the cafeteria, and the custodians. Working with the teachers, he provides counseling and discipline for the problem students. Taking attendance and accounting for the students and taking charge of the registration and school reports are also part of his responsibility.

The Assistant Principal for Instruction is responsible for coordinating all phases of instruction. This includes ordering teaching materials and textbooks, scheduling students, obtaining substitute teachers, and aiding teachers in meeting instructional problems. This is a very large job and it has been handled most efficiently by the new Assistant Principal.

"Where is Bus 14?" In addition to his other duties, Mr. Piper is responsible for transportation.

"Please pay attention to the following announcements!" The Assistant Principal for instruction also keeps us informed.

Nurse And Secretaries Assist Student Body

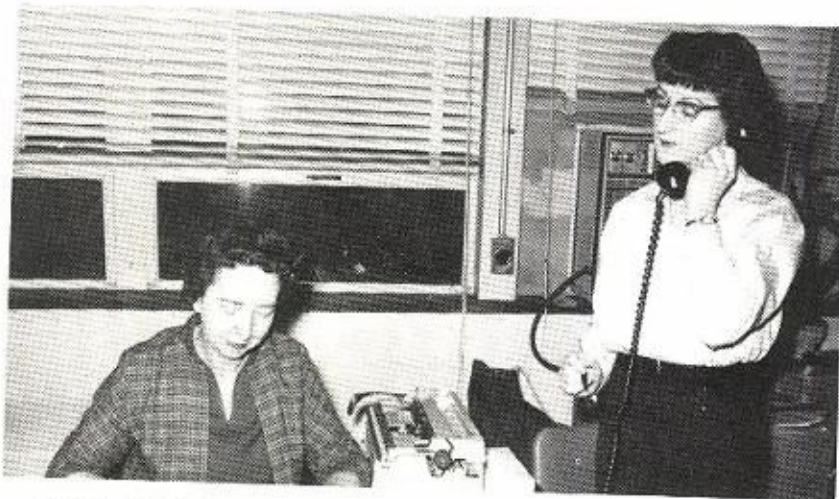

MRS. AGATHA MAINWARING
School Nurse

The clinic is an important part of the administration of Lee. Often underrated, it serves the students faithfully in all matters of health and personal welfare.

MRS. SARA TILSON
Head Administrative Secretary

Lee High School could not function at all if it were not for the devoted services of these administrative aids. They keep up the school correspondence, maintain attendance records, and other countless jobs that keep Lee running smoothly. Where would Lee be without its secretaries?

MRS. DOROTHY NEWELL AND MRS. HAZEL OLIN

MRS. PATRICIA LANGFORD

MRS. MARY NORTON

Guidance Department Helps Students Plan Future

The Guidance Department of Lee High School is one of the best in Fairfax County. It is responsible for maintaining the personal records of each student. In addition to this massive responsibility, the department must advise the student as to the curriculum that is best for him. Lee's success is in a large measure due to the Guidance Department.

Cafeteria and Janitorial Staffs Help School Run Smoothly

Lee High School is indeed fortunate in its janitorial and cafeteria staff. The job of taking care of 1800 students is not an easy one by any means, nor is it always pleasant. These efficient staffs carry out their respective duties so smoothly and unobtrusively that they are often overlooked. The school could not possibly operate without the aid of our fine janitors and cafeteria workers.

ACADEMICS —

The Backbone of Education

Lee High School means hours of study as well as fun.

"Cognito, ergo sum." Mrs. Bisaccia teaches her students of the Glorious Roman Empire.

Four Major Languages Offered at Lee

"Now, repeat after me . . ." Lee's language lab received a lot of hard use, as from this German II class.

In order to help students become better acquainted with the languages and customs of the other peoples of the world, the Language Department at Lee offers, in addition to Latin, full four year courses in French, German, and Spanish.

Modern language students practice in the Language Laboratory to develop a speaking as well as a reading knowledge of the language. The new textbooks which are in their second year at Lee also encourage the conversational ability of the students.

"Square roots aren't really hard—if you think." Algebra is always interesting???

"Twenty paces after the skull in the tree, turn left and start digging."

Varied Math Department

1962-63 has been the year of the "new math." The School Mathematics Study Group, long for SMSG, has produced a set of paperback texts containing a modernized approach to mathematics. The new courses are Introductory Algebra, Intermediate Algebra, Geometry, Functions and Matrices. The students agree that the approach is radically new, with many claiming courses have become harder. Many are having to work a little harder to learn a lot more. The traditional courses have not been completely discontinued, trig students still struggle with identities, but their demise is as sure as a function maps a domain onto a range.

Our science has continued to push back the frontiers of knowledge that exists in the mind of the high school student. Under the able Colonel Koehler the department has improved its traditional courses and continued the new approach courses that were introduced last year.

Each part of the science department offers the student a challenge in one of the sciences that are so greatly influencing the present and the future.

Science Students Further Learning in Laboratory Work

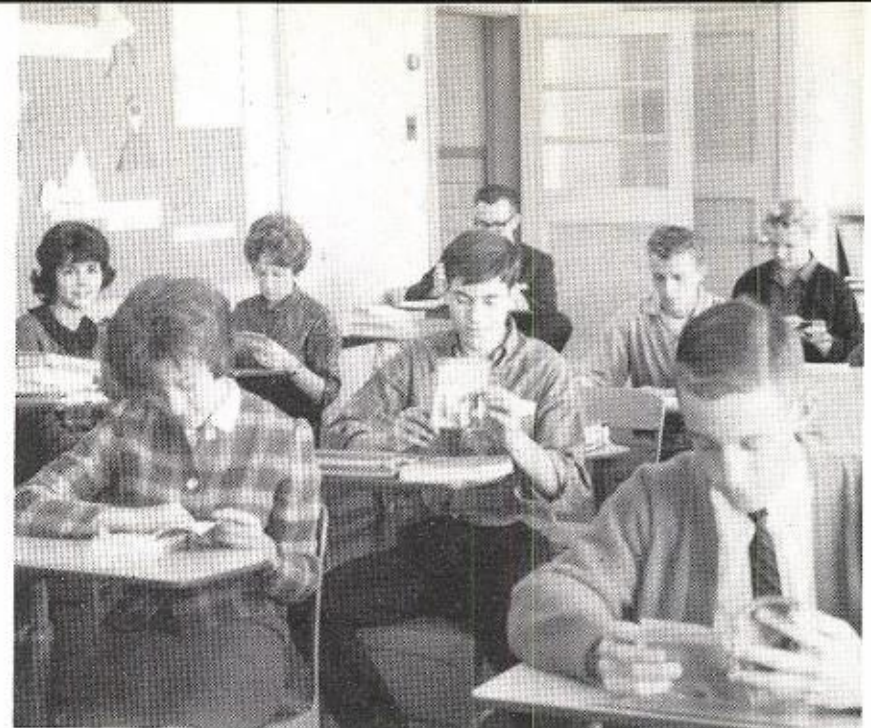

"Good Heavens, they're alive." A biology class discovers the wonders of the microscope.

"I smell the fudge burning!" The chemistry class' experiments are educational.

"Now, I tell you it ought to be done this way." Mrs. Keltner's famous speech class.

The paperback book has been a great help to the students here this year.

To communicate effectively, concisely, and clearly is to know one's language thoroughly. The task of teaching the fundamentals and advanced techniques of the English language to the student is the job of the English Department. This department seeks to make each student a literate and useful person by stressing the mechanics of writing, by encouraging creative thought, and by urging extensive reading. Thus, the student is able to correctly put down on paper his ideas, to contribute a little of himself to his society, to widen his outlook, and to increase his knowledge. Emphasis in these three areas constitutes the work, energy, and time of the English Department.

"For the last time, it's HE!" Mr. Connolly instructs his English class.

"Tomorrow, and tomorrow, and tomorrow . . ." Mrs. Hartgroves introduces Shakespeare to her sometimes unwilling students.

"To be ignorant of what happened before you were born is to be ever a child. For what is man's lifetime unless the memory of past events is woven with those of earlier times."

The task of informing the student on the world, its history, its government, and its geography is given to the Social Studies Department. This department touches the life of every student through such courses as World Geography, U. S. and Virginia History and Government, and especially encourages the prospective history major by such select courses as World History and Modern European History.

Besides the classroom work, the Social Studies department sponsors field trips and various speakers. The annual project this year will be a trip to Gettysburg or Richmond in conjunction with the Civil War Centennial. Social Studies, vital to the understanding of society, is not neglected at Lee.

A good experience program is a valuable asset to any commercial department. Our Business Department offers an excellent course which would prepare one for a secretarial position, or, with further education, that of a business executive.

This department's key words are "practical experience." Because of the great need for experienced workers, Lee has established a program dealing with actual work on commerce's many instruments. Because of this practical experience, those students who plan to end their education at high school graduation shall be prepared to assume a meaningful place in business and society.

Physical Fitness is Important

A healthy body and a cultured mind make a complete person. The Physical Education Department seeks to instill in students the importance of health hygiene, proper exercise, and good sportsmanship. Such courses as First Aid, health, and driver education in conjunction with regular athletics, develop the student thoroughly in areas where he may be lacking. This department sponsors intramural sports for boys and girls and varsity and J.V. sports for the athlete who exerts a little more for himself and his school. Physical Education, thus, completes the students' curriculum.

The Library—— Shelves of Knowledge

Many attractions make the Lee High School Library a profitable place to visit. The Teachers' Work Room and the Virginiana Room provide places of quietude for special research by student and teacher. New volumes such as the *Cambridge History of British Empire* enhance the Library's growing collection of reference books. A set of Great Books, won by last year's "It's Academic" team, enlarged the Library's collection of classic books. Besides this excellent reading matter, the library has the largest audio-visual department in the area with almost one thousand film strips. Indeed, one cannot afford to by-pass the great opportunities offered by the library.

I.C.T. Provides Practical Experience

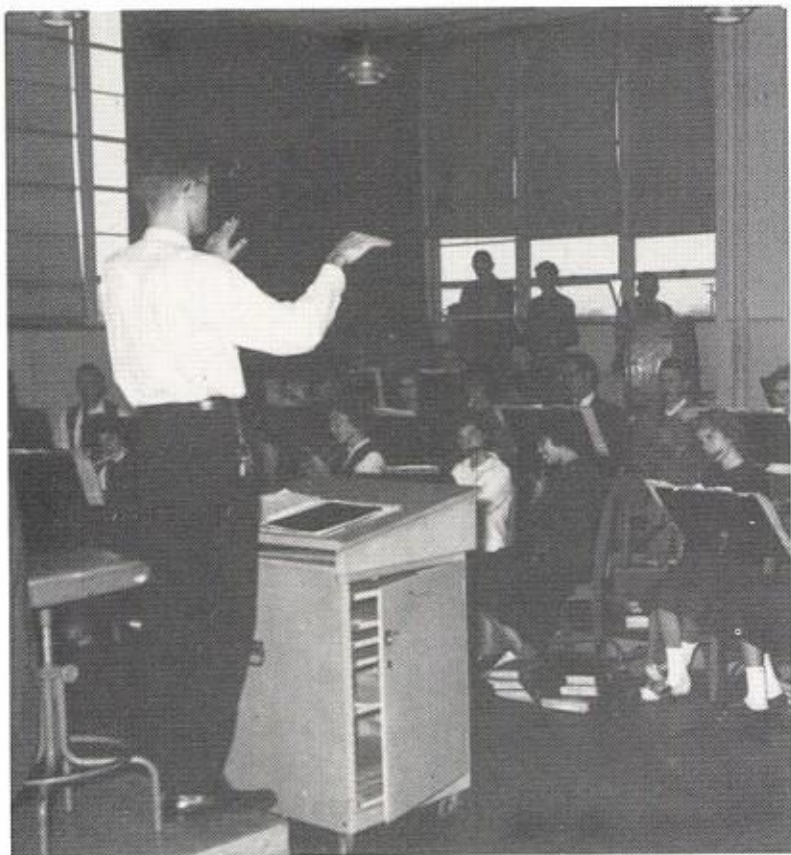

The Diversified Occupation Department has been very helpful providing vocational training for students showing interest in a specific field. Besides working in the community, the students have been helpful around school. At the beginning of the year an employer-employee dinner was held to acquaint students with the businessmen of the community. They also participated in the District Convention held at Washington-Lee High School. In these ways, the student is able to start and keep a vocation for later years.

The Sound of Music

Students at Lee have the opportunity to learn about music through participation in the bands and choruses of our Music Department. In music classes students learn music theory and gain experience through public performances. The excellent concerts and assemblies presented by the several bands and choruses show the extent of the effort put forth by both the directors and the music students in preparation for these events.

The enlargement of the Art Department each year illustrates the main objective of teaching art—to encourage creative thinking, both intellectual and emotional. This year, Lee offers four years of art. The senior students went on the county-wide trip to New York in October and the department hopes that before the year is completed, all art students will have had the opportunity to participate in a field trip. In the future the department hopes to be able to offer art history and courses in teen teaching, that is, art students would give lectures concerning art in other classes to show how art ties in with other subjects. These experimental projects would certainly encourage creative thinking.

The home, as the center of the family unit, is of great importance. The making of a happy and comfortable home requires skill and knowledge. The Home-making Department of Lee High School offers a chance to gain this knowledge and develop this skill.

The four year course covers seven major areas: child care, nutrition and foods, clothing and textiles, family planning, money management, personal grooming and home nursing. Each year all phases are covered, although different areas are emphasized.

Girls taking this course have the opportunity to become better homemakers under personal supervision through practical experience.

Shop Teaches Mechanical Techniques

The Industrial Arts Department at Lee serves to instruct students in working with wood, metal, and precision instruments. For this purpose two two-year courses, one in Industrial Arts and one in Mechanical Drawing, are offered.

This year a new course, Industrial Arts Research and Experimentation, has been added to the department. In this course scientific theories and problems are applied to test or evaluate a product, process, or material. The student uses tools and equipment supplied by the department to solve his problem, accumulate data, chart results and form conclusions. Every week a seminar is held at which each student shares his findings with the rest of the class.

STUDENT

Students of many diverse backgrounds and experiences offer both a great variety of individuality and at the same time a desire and need for community identification at Lee High School. Footsteps from every walk of life parade in the halls of Lee and bring to it a multiplicity of views, ideas, and thoughts from which spring exceptional sorts of activities, customs, and occurrences. But, all these differences blend to form an exciting, stimulating student life.

"Welcome, to Lee's International Homecoming." This greeting revealed the multi-cultured atmosphere of Lee's student body and the presence of a foreign exchange student, Olov Lindstrom. It also encompassed the cosmopolitan attitude prevalent at Lee and announced Lee's concern with the world's affairs and with the need for friendly international relations.

Homecoming festivities were planned for the week-end of October 26, beginning with a bonfire pep rally on Thursday, October 25, climaxing in the football game with Falls Church, Friday, October 26, and ending with the dance, Saturday, October 27. Preparations were begun five weeks in advance by Rick Shelley, Barbara Burke, and Kathy Childs, co-chairmen, who drew up the necessary arrangements, selected the theme, "International Homecoming," and chose competent committee chairmen. As the weeks quickly passed, the Homecoming structure was built up from separate pieces into one uniform assemblage. The bonfire rally was successfully led by the Varsity Cheerleaders; the halftime pageant at the game ran smoothly and impressively with eleven floats, the queen and her court, and the cheerleaders making up the parade; the dance the next night celebrated the 19-19 tie and included the crowning of the queen. With the ripping down of the decorations after the dance another homecoming ended. Students returned to school work, and Alumni to college—each a little poorer but a lot happier.

Junior Class Produces

Comedy with its gay whims and mad caprices was the essence of the Junior Class Play, *My Sister Eileen*. This enjoyable production told the story of the adventures of two small-town girls who came to the Big City. Their basement flat in Greenwich Village became a haven for unusual visitors, such as window snoopers, subway blasters, Brazilian sailors, Bohemian neighbors, "boyfriends," an eccentric landlord, and an ever present handyman. Indeed, hard work, class spirit, and enthusiasm helped make the Junior Class Play a fine presentation and a job well done.

"Teen Talk" . . .

Judi Barnes and Mike Collins, two of the six students who represented Lee on NBC's program "Teen Talk", are shown here. "Teen Talk" consists of five panelists representing different schools who discuss subjects of special interest to teenagers.

The panel on "It's Academic" consisted of students from Anacostia, Mackin, and Lee.

Rusty Hess, Judi Barnes, and Don DesJarlais wait anxiously for the next question.

The "It's Academic" team composed of Judi Barnes, Rusty Hess, and Don DesJarlais were victorious in their match with Mackin and Anacostia High Schools on WRC-TV. The team led through all three rounds by at least thirty points; and then in the final free-for-all, swept ahead by a 200 point margin of victory.

In a return elimination match against Hammond and Woodrow Wilson High Schools, Lee fought a tight battle with the Woodrow Wilson team, finally losing by one question, the final question of the game. A return to the show is scheduled for late spring.

The varsity cheerleaders lead the audience in cheers for Lee's contestants.

Lee Keyettes Exhibit Talent at National Convention

Barbara Burke and Suzanne Reilly won first prize for the "Best Musical Performance" at the Keyette Club National Convention attended by 23 girls from Lee. The convention was held at the Marriott Motel March 1,2,3. Another award received was honorable mention for their scrapbook.

The Mardi Gras dance sponsored by the French Club was held on February 23. The Mardi Gras court consisted of representatives from each class: Sophomore class, Carla Dakin and Ronnie Frost; Senior class, Suzanne Reilly and Bill Dakin; Junior class, Joyce Carter and Bobby Allen; Freshman class, Alma Downs and Timmy Van Dyke.

Seniors Break "Hex" By Winning Both Jr. - Sr. Games

In 1963, the annual Junior-Senior clash was changed into a best of three rather than a solitary brawl. For the first time in Lee's short history, the upper class won. The first game was exciting, if not exceedingly well played. The Seniors won, 21-20, on a last second desperation shot by Jeff Hart. Half of the second game was well played, the half played by the Seniors, that is. Hot-handed Brad Fellows led the 40-23 romp. A girls' game was played before each of the boys' games. Sue Cone and the Junior team had fun in spite of Diane Davis and the Senior girls.

Girls Shine In Sewing Skills

Lee High School was well represented by six contestants in the Annual Sewing Contest sponsored by the Women's Club. All students were eligible to enter the contest if they had had one semester of Home Economics. Chris Miller in a daytime dress and Betsy Reilly in an after-six dress were the local first place winners. Betsy went on to become second place winner in the district. *Standing:* Chris Miller, Georganna Worley, and Betsy Reilly. *Seated:* Michelle Papale, Karen Wrzesinski, and Faye Hughes.

Boys Demonstrate Scientific "Know-How"

The 12th annual Research Equipment and Instruments Symposium held at the National Institute of Health was attended by Jay Bell, Walt Tucker, Hal Cox, and Mike Post. These boys were the only high school students representing Virginia, Maryland and the District that attended the symposium with top scientists of the nation. Pictured are Jay Bell, Walt Tucker, and Hal Cox.

The USAF Bagpipe Band has the distinction of being the only bagpipe band that is an integral part of a drum and bugle corps. The function of this colorful aggregation is to alternate playing with the bugle section of the USAF Drum and Bugle Corps while on the march and during field exhibitions. Resplendently attired in authentic kilts of the Mitchell Tartan (chosen in honor of General Billy Mitchell), this unique organization creates a sensation wherever it appears.

On April 10, 1963, Lee High School had the privilege of having an assembly presented by the USAF Bagpipe Band. During the program Irish and Scottish melodies were played, and two members performed an exciting sword dance.

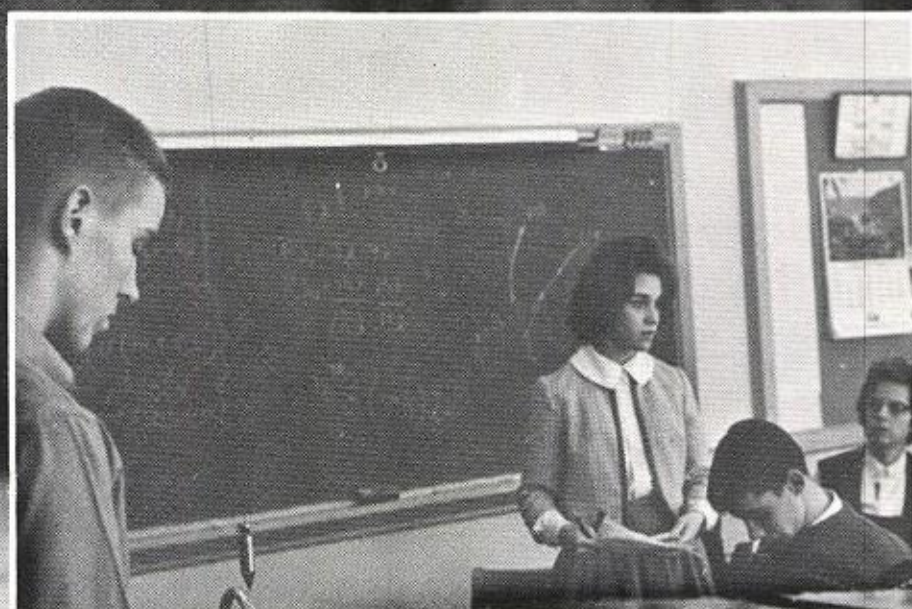

The members of the Air Force Pipe Band present an entertaining assembly on April 10.

ORGANIZAT

Lee is fortunate in having many varied organizations. These range from service organizations, such as the Key Club to the Yearbook to the National Honor Society, to organizations that promote school spirit. These clubs actually do a lot more than bring the students together; they aid the school in their various projects. Each group tries to serve the school in a capacity that best utilizes the special interests of the group. In that way, the school and the student benefit from Lee's numerous, varied organizations.

In celebration of its fifth birthday, Lee High School's Student Cooperative Association started the 1962-1963 school year with the vow to live up to its motto, "Visions of Excellence."

Under the sponsorship of Colonel Koehler and Mrs. Keltner, the officers learned almost immediately that no efforts, however great, could command success without hard work and perseverance. Thus they turned to the students, encouraging each and every one of them to become a vital element of this governing body and to participate in all of its activities.

The four officers, the cabinet, the class senators, and the homeroom representatives demonstrated outstanding ability in tackling and solving the problems at Lee. Not satisfied with the present procedures, but rather looking forward to the future, they initiated and developed new programs and methods.

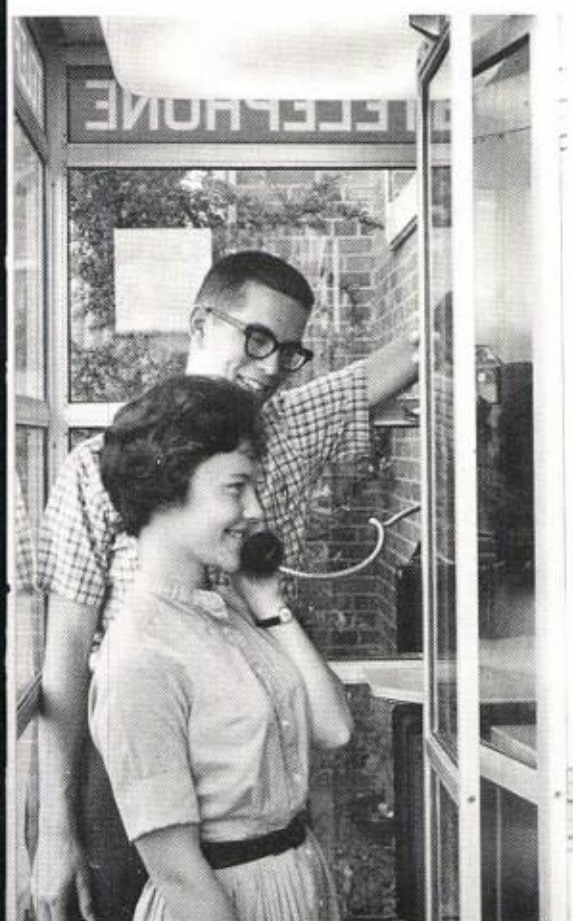

Lee High School's history will tell of the many accomplishments of the 1962-63 Student Cooperative Association.

Cerebral Palsy Drive

The Key Club is a service organization benefiting both the school and the community. The club consists of sophomores, juniors, and seniors who are chosen on the basis of character, scholastic ability (at least a "C" average must be maintained), personality, and leadership qualities. Among the many activities of the Key Club during the past year were parking cars at football games, painting the rest rooms, sponsoring dances, keeping the front island clean, sponsoring a canned food drive, and delivering Christmas Seals. Social functions held included a spring banquet and a Key Club District convention. This year the convention was at Roanoke during March.

Keyettes Sponsor Various Helpful Activities

SHARON GOREE
President

Leadership, initiative, co-operation, and purpose are the keystones of the Keyette Club, an outstanding girls' organization endeavoring to serve the school and the community. Such activities as the Sadie Hawkins Dance, the Christmas Food Drive, Cerebral Palsy Drive, and the annual Fashion Show reveal the spirit and energetic achievement of the Keyettes. The Wednesday night meetings, Sharon Goree's humor, and the ever present task of setting a good example for the Key Club, make being a Keyette an enjoyable experience and a lasting memory.

Math Honor Society Introduces New Concepts

This year the Math Club changed its policy to that of an honor society. Under the guidance of Mr. Basnight, sponsor, students delve into higher math and strive for a more complete understanding of this science. Programs are conducted by the members themselves on topics of their choice. Two years of preparatory math are required, with a "B" average overall in math.

Future Homemakers of America Excel in . . . Home Economics

In September, 1962, a new chapter of the Future Homemakers of America was formed at Lee High School. Under the sponsorship of Mrs. Gaut, the FHA served the school by checking coats at basketball games and fixing the cafeteria curtains. Future plans included a spring fashion show and a Mother-Daughter banquet.

The Future Teachers of America is one of the largest and most active clubs at Lee High School. It provides an aide to any teacher who requests one, while giving the student valuable experience. A scholarship is given each year to an outstanding senior, usually a member of the F.T.A. One of the out-of-school activities is observing in various elementary schools, a privilege exclusive to juniors and seniors.

The Latin, or Janus Club, so called because of the close relationship between past and present, is one of the most prosperous clubs at Lee. Its many activities include a true-to-life Roman banquet, and an annual original Roman play. For the past two years this play was written by Mike Zamperini and Pam Robinson. The club's activities prove that Latin, as a language and a culture, is far from dead.

work on "Guild" projects.

1962-63 has been the Art Guild's most productive year. The sophomores, juniors, and seniors within the club produced and presented to the school three murals which will be displayed in the halls.

Another Guild project has been copper enameling for which a special kiln was purchased. It is hoped that the sale of the copper products will pay for the kiln.

This spring the Guild took a field trip to Richmond where they attended a stage play and visited several art galleries.

Drama Club Assists in Production of "Tom Sawyer"

Lee's Drama Club is an organization dedicated to teaching young actors the fundamentals of histrionics. It is one of the most active clubs at Lee, having many enthusiastic members who work in front of the footlights and behind the scenes on the dramatic productions presented during the year. The club sponsored several one-act plays in the spring which showed the effectiveness and freshness of amateur presentations.

I.C.T. Aids Vocational Training

The Diversified Occupations Clubs of Virginia is the student organization of members of the Industrial Cooperative Training Class.

The purposes of the club are many: To give members insight of and appreciation for the opportunities of Workmanship and Citizenship; to bring out potential leaders; to provide means through which the community, school and employees may participate in developing better community school relations.

This year's activities were: Annual Employer-Parent-Student social event; District II D.O. Convention; Annual State Convention; and club-sponsored social activities for members.

Science Club Furthers Students Interest in Science

The Science Club's primary function is to provide the space, time, and some of the materials necessary to enter a research project in the Science Fair. It also provides the materials for organized experiments set up by the individual members to satisfy their curiosity in any field of science. The members made field trips in their spare time to areas of special interest as a supplement to their research.

Competition Keen in Chess Club

This year under the sponsorship of Mr. Warner, the Lee High School Chess Club was re-established after being inactive for one year. Through a system of ranking, which awarded a certain number of points for each victory by a player, a five-man team was selected. The club then contacted other area schools and played matches with the chess clubs of those schools having a club.

An understanding of electronics is one of the main goals of the Lee High School Radio Club. The club wishes to extend communications to other ham operators throughout the country and world. The club owns several thousand dollars worth of equipment which is used extensively by the members to further their theoretical and practical knowledge of short-wave radios.

This year the *Lance* underwent a staff reorganization which made management of the school paper more efficient. The paper this year became a member of the National Quill and Scroll Society and its affiliation with this organization improved the quality of journalism. Ideas effected by this year's staff include an increase in the number of feature articles, an expanded editorial section, and a literary column. The last issues of publications of the *Lance*, for the first time in its history, contained six pages.

Long Hours Put in By SHIELD Staff

Deadlines to meet, pictures to take, and copy to write were just a few of the many headaches facing this year's *Shield* staff. Under the editorship of Chris Sutton, everyone on the staff worked hard after school and on Saturdays to bring the 1963 edition to completion. It contains a little more than blood, toil, sweat, and tears, for it is a part of everyone who labored on it and produced it. The *Shield* staff sincerely hopes that the content and format of the *Shield* justify the great effort and concentration put into its 240 pages.

Row 1: M. Culpepper, B. Tilley, J. Fisher, K. Childs, D. Jefferies. Row 2: J. Wanger, C. Clow, M. Husted.

The *Senior Pipeline* is the newspaper published by seniors for the senior class. Senior opinions, original prose and poetry, articles about class officers, and information concerning class activities make up the paper. This year a classified ad section, opened to seniors and underclassmen, was added.

Junior Jargon For Well Informed Juniors

The *Junior Jargon*, published monthly by the Junior class, is designed to inform the class of coming events and of past activities, through such features as "Letters to the Editor", editorials, "Juniors in the Sports World", and "Junior Jive"; moreover, a special section of the paper is devoted to "Junior of the Month", an honor accorded on the basis of scholarship and leadership. The effective publication of this paper has definitely contributed to class spirit and unity.

Learning Library Procedures- Function of Library Club

The Library Club is made up of library assistants and others interested in library work. Learning more about library procedure, discussing various types of literature, and planning projects for the future are among the items discussed at Library Club meetings. The most important jobs of the club are checking books in and out, replacing the books on the shelves, and completing the daily circulation. The members also reserve books and periodicals, find lost articles, and keep the library in a respectable condition.

This year the GAA, a girls' organization devoted to serving the school and furthering of girls' athletics, was formed at Lee. Sponsored by the women Physical Education teachers, the girls in the club sell refreshments at games and participate in intramural sports such as pingpong and volleyball. New members are inducted through a special point system based on the activity of the girls in sports. In one year, the GAA has rapidly progressed and has established itself firmly in the school activities.

Rifle Club Instructs Usage of Firearms

The Rifle Club promotes rifle marksmanship and safety with firearms. The club is affiliated with the National Rifle Association and receives a part of its ammunition and the use of eight rifles from the Director of Civilian Marksmanship. Interest in the Rifle Club and team has been intense throughout the four years of its organization in which an average of forty boys and girls have participated each year. Our rifle team competes with other non-league Northern Virginia high school teams in regularly scheduled league shoulder-to-shoulder matches as well as non-league matches.

Pep Club-Chargers-Encourages School Spirit

The Pep Club at Lee was organized this year with the help of two fine sponsors, Mrs. Hartgroves and Mr. Baumgartner. Known as the "Chargers," the club was the only club representing the entire student body. Advertising sports events, passing out lists of cheers at the games,

and supporting other competitive events were a few of the activities of the club. With this promising first year of reorganization, the Chargers look forward to future heights of school spirit at Lee High School.

Advanced Musicians Play in Concert Band

Membership in the Concert Band included this year not only attending daily classes, but also attending extra rehearsals and giving concerts. In March the band entered the District VI Music Festival, playing for the first time Grade IV Music, and also sent various individuals and groups to the Solo-Ensemble Festival.

Drum Major and Majorettes Add To Lee's Halftime Entertainment

During football season the Marching Band and the Majorettes performed during half time at all home games. The band executed precision drills, did dance steps, and formed figures and letters for the entertainment of Lancers and visitors. At the last home game the band brought its marching season to a close with a spectacular show in which the Majorettes twirled fire batons.

Chorale Choir . . . Gave Outside Concerts Concert Choir . . .

Lee's Chorale Choir consists of juniors and seniors who have studied music at least three years. The music studied ranged from classical to modern arrangements. Activities the choir appeared in varied from singing for churches, old folks home, S.P.T.A., and neighboring schools to participating in the State Festival. On March 7, there was a student recital for the choir to exhibit their talents.

SPORTS

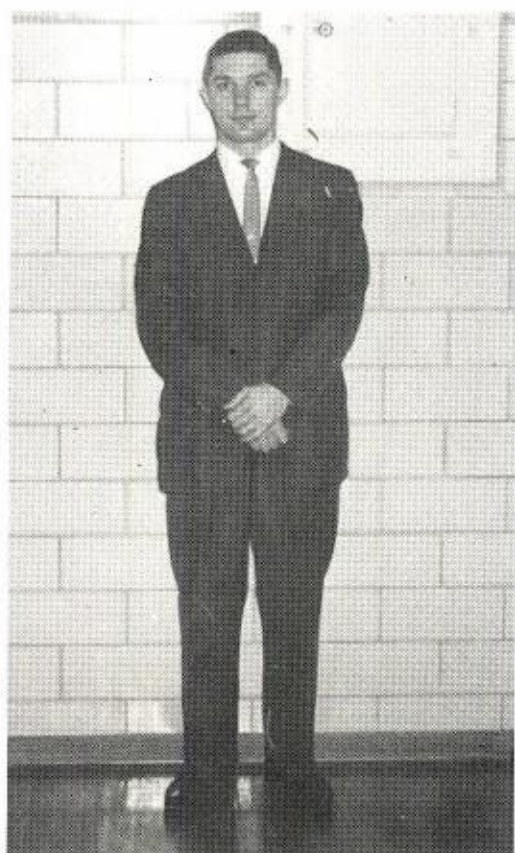

Athletics are a vital part of school life. They are the binding factor that holds the student body together and leads to the famous Lee spirit. Sports provide students not only a chance to excel in physical activities in which they are interested, but also furnish opportunities for outstanding athletes to gain the recognition they deserve from the school and the public. Thus at Lee, we are fortunate to have such a fine athletic department which through its guidance of our sportsmen, fosters the spirit that ties our school into one student body.

MR. MILLAN
Athletic Director

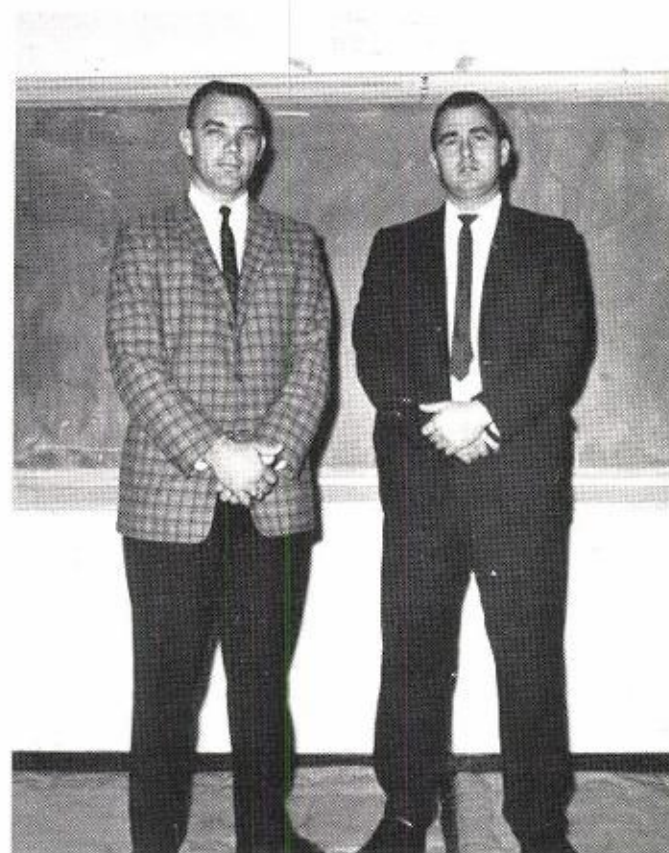

Sports represent the block of fitness both in mind and body. On the playing fields of football or baseball, in the gym, or on the cinders of the track, the athlete is constantly improving his mind and body through competition. The athlete learns how to live with his fellow man through teamwork. Individual effort to improve the team also improves a person's initiative. These characteristics of the athlete inspire school spirit and pride. However, all of these are made possible only through the efforts of the Lee High Athletic Department, headed by Mr. Mike Milan. All of our coaches do outstanding jobs in developing character and sportsmanship at Lee—through winning or losing. The entire coaching staff should be commended.

Varsity Football Team

Enthusiasm and spirit ushered in Lee's football season this year. The team faced many problems, but the main weakness was the lack of experienced players. Such transfers as George Kalinowsky, Lee Bethune, and Phil Hogue brightened our outlook, but with inexperienced sophomores and juniors, conditions were not in our favor. Our record for the season 4-5-1 does not indicate the many hard-fought and close games and the genuine effort of each of the players.

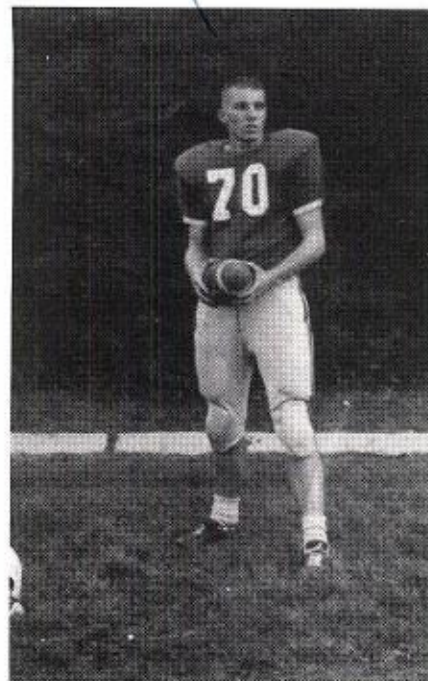

Earl Flinchum, the team's "most valuable player," did an excellent job as fullback and quarterback, scoring more than seventy points. He was chosen for the area's all-star team and for the All-Metropolitan fourth team. Other outstanding members of the team were the defensive line men, George Kalinowsky, Art Aguilar, Scott Mack, and Bill Dakin. Bobby Allen, who alternated with Earl Flinchum and Phil Hogue at quarterback, showed definite potential for next year's team.

Lee High School's football team opened the 1962 season with a 7-0 loss to the Mount Vernon Majors. The only score of the hard fought contest came midway in the second quarter when a Major halfback broke off tackle and sprinted twenty-five yards for the score. Despite the loss Lancer fans noted the fine defense exhibited by the Lancer forward wall led by Bill Dakin, Art Agular, Scott Mack, George Kalinowsky, and Rocky Carlan and the excellent running of senior fullback, Earl Flinchum.

Long Trek To Osbourn Not in Vain as Shown by 14-6 Score

Jeff Hart, (31) drags Yellow Jacket out of bounds.

After their opening loss to Mount Vernon, the Lancers made the long trip to Manassas in hopes of achieving victory number one at the expense of the Osbourn Yellow Jackets. The host of the Lancer fans who made the long trek to Osbourn by chartered buses and cars were not disappointed.

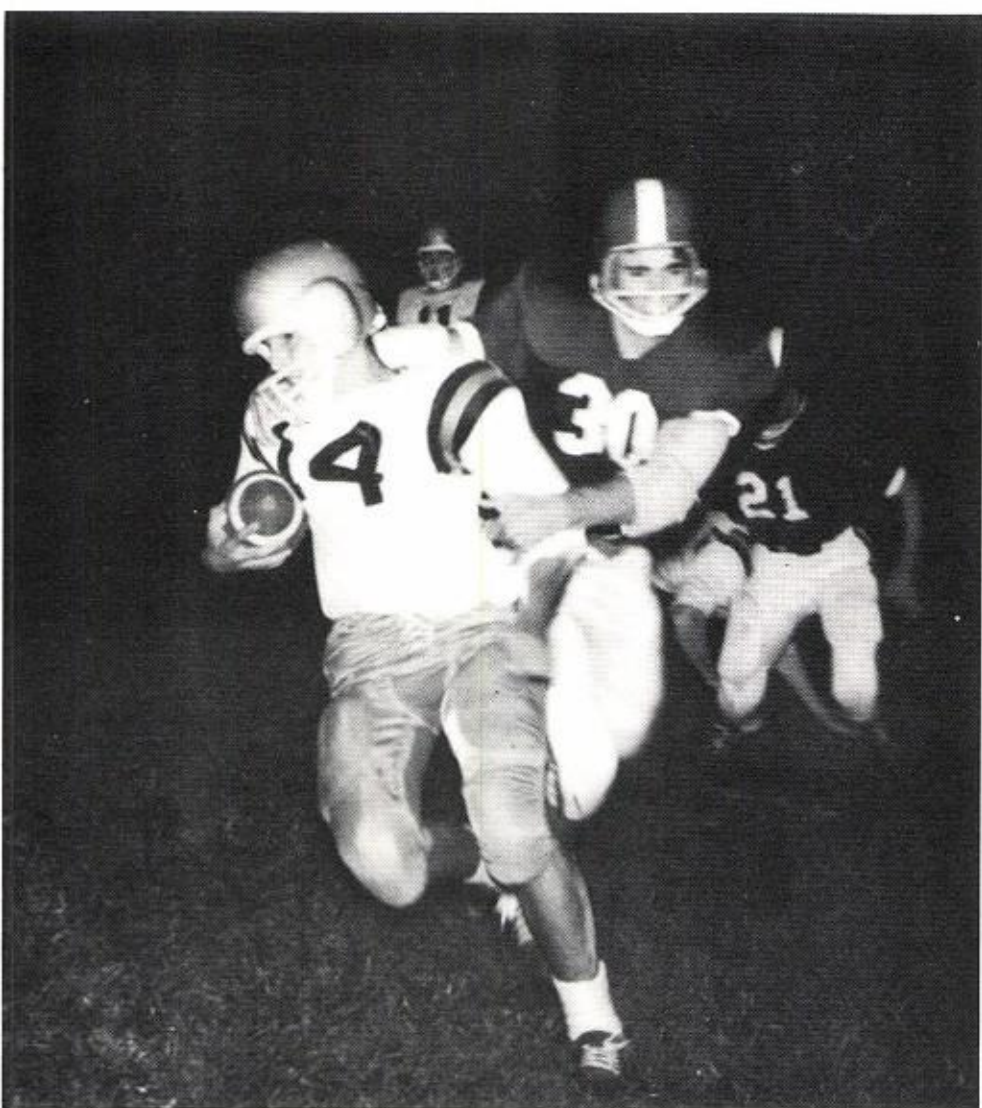

After taking the opening kick-off, the Lancers drove sixty-eight yards for a touch-down led by the consistent ground gaining of fullback Earl Flinchum. After a fumble recovery by Rocky Carlan in the second quarter, the Lancers drove for their final score which was climaxed by a scoring pass from Flinchum to Allen. Once again the strong Lancer defense made its presence known and kept the Yellow Jacket offense in check.

Superior Strength From Arlington Defeats Lee 20-7

Lee was handed their record defeat of the season by the strong W&L team from Arlington. The superior man power of the Arlington school was too much for the Lancers to contend with. The only bright spot for the Lancer fans came in the third quarter when Earl Flinchum broke off tackle for the Lancers only score. W&L won the game by a score of 20-7.

John Koerber (30) and Larry Dunn (21) move in on Groveton ball carrier.

Long Run by Funchum Defeats Tigers 7-0

At Groveton, Lee's Lancers defeated the host Tigers by the narrow margin of 7-0. With the Lee defense constantly thwarting the offensive efforts of the Groveton Tigers, it seemed evident that the Lancers only needed one score for the victory. The Lee offense was unable to score, so the defense took matters into their own hands. Earl Flinchum intercepted a Tiger pass and took it back 89 yards for the only score of the game. Groveton threatened once late in the game, but the Lee defense came to the fore once again and held the Tigers inside the 10 yard line for 4 downs.

Phil Hogue (25) struggles for precious yards against Stuart.

After the Lancers loss to W&L, they traveled to Jeb Stuart to tangle with the winless Raiders. At the expense of the Lancers, Stuart gained its first victory of the season with a score of 7-0.

The game was a hard fought contest with the only score coming just before halftime. The Raiders broke loose one of their light, but fleet, halfbacks for a long gain that penetrated deep into Lancer territory. Four plays later Stuart had scored what proved to be the only points of the game. In the second half the Lancers attempted to get back in the contest by opening up an aerial barrage led by Phil Hogue and Bobby Allen, but the Raider's defense was too much to contend with.

Winless Raiders Defeat Lee 7-0

The Lee High School Lancers won their third game of the season Saturday afternoon by gaining a come-from-behind victory over Madison on the losers field. The defeat was hard for the Warhawks to take as, it spoiled their Homecoming Weekend.

Lee elected to receive the opening kick off but as it turned out, Madison recovered the opening kick off and raced to the Lancer 25 yard line. Two plays later the Warhawks had scored. What proved to be one of the most important plays of the game followed. The Warhawks attempted to kick the extra point, but the middle of the Lee line rushed in and deflected the attempted conversion.

After a poor beginning, the Lancers settled down and started to move the pigskin. Led by the fine running of Earl Flinchum and the passing of Bobby Allen, the Lancers scored late in the third quarter on a 6 yard run by Flinchum. Lee elected to run for the point after touchdown and once again Flinchum picked up the necessary yardage to give the Lancers a 7-6 victory.

Flinchum (10) scores winning touchdown against Madison despite resistance.

The McLean Highlanders administered Lee High School its fourth setback of the season. The 7-0 game took place in the victor's field on a bright Saturday afternoon. The only score of the game came late in the fourth quarter as the Highlander quarterback Terry Grete plunged into the end zone from the one yard line. The Lancers exhibited a fine defense, but were unable to muster any sort of offense against the stout Highlander line. Late in the fourth quarter Lee did mount a resemblance of an offense led by the passing and running of Phil Hogue and Earl Flinchum, but still could not cross the Highlander goal line.

19-19 Tie Keeps Up Homecoming Spirit

Allen (11) and Jaguar battle for pass.

The Lee High School Lancers rallied to tie the Falls Church Jaguars, 19-19 at Lee. A sparse crowd of shivering spectators watched Falls Church jump off to a 13-0 lead to have the Lancers come storming back in the second half led by Earl Flinchum. With Flinchum accounting for all of the Lancer's 19 points, the Lancers gave their chilled homecoming fans a fine come-from-behind display of football. Many a student was frozen to the bone, but found the attractive homecoming floats, the homecoming dance, and the game itself rewarding.

Unhappy movement for Lancer fans as Admirals score.

The Hammond High School Admirals turned loose a herd of fleet, hard-running backs to defeat Lee 34-20. The Admirals scored in every period to administer the fifth defeat of the season to the Lancers. The Admirals took a three touchdown lead in the first half and had a 28-7 lead at the start of the final period.

In the fourth period it was Lee's turn to display an offensive show. Opening up an aerial barrage headed by the throwing of Phil Hogue and the receiving of Earl Flinchum, the Lancers scored twice in the last 30 seconds. The Lancers' rally, however, was a little too late.

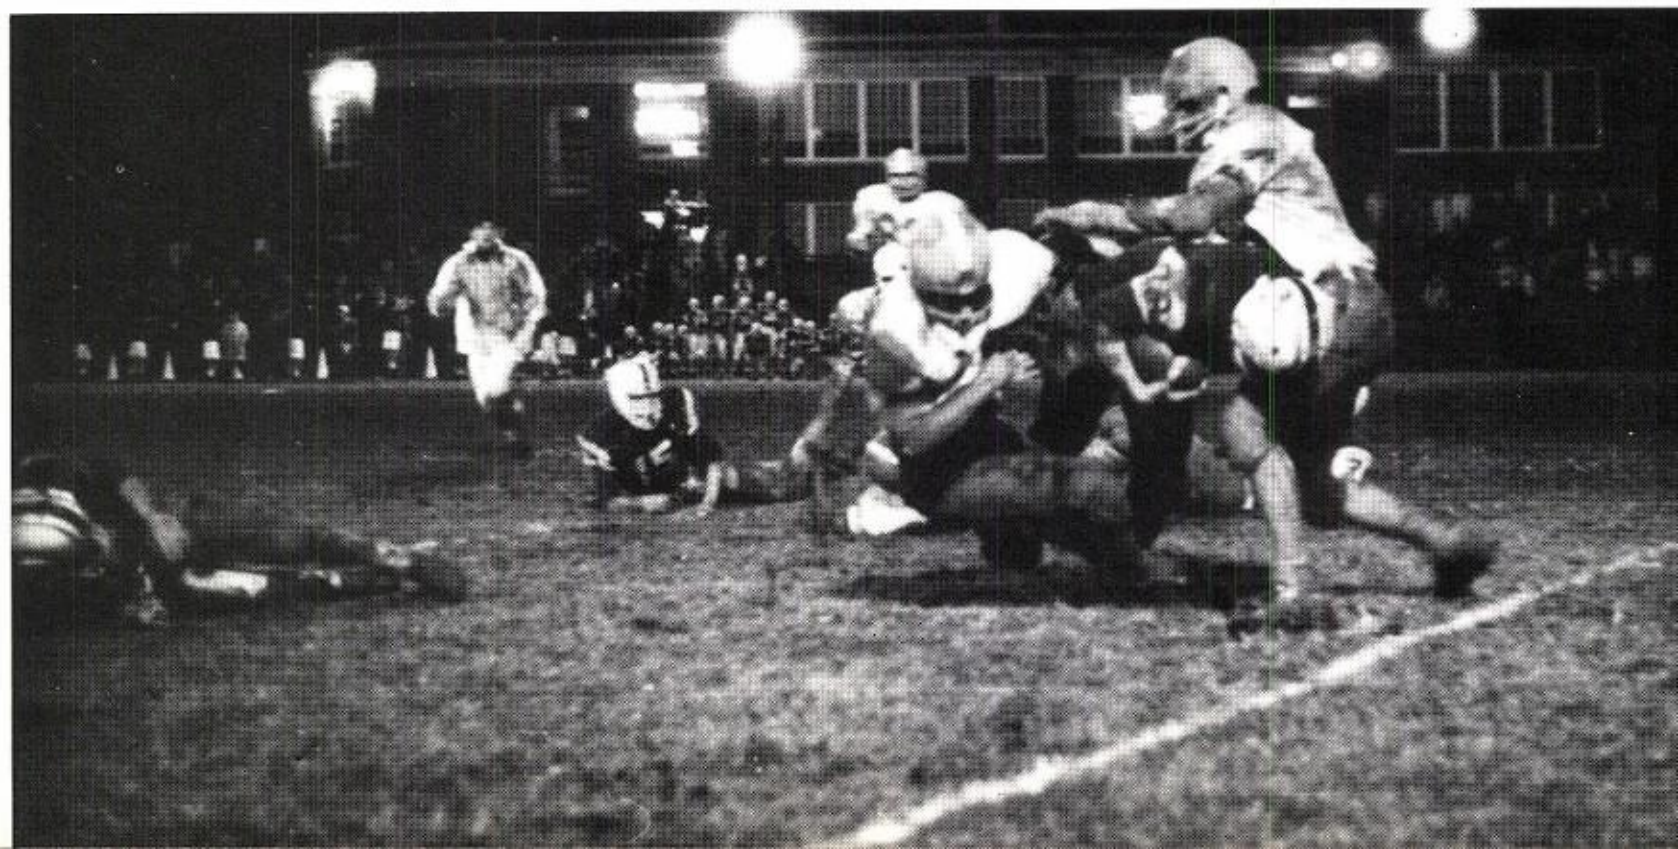

Admirals Sink Lee 34-20

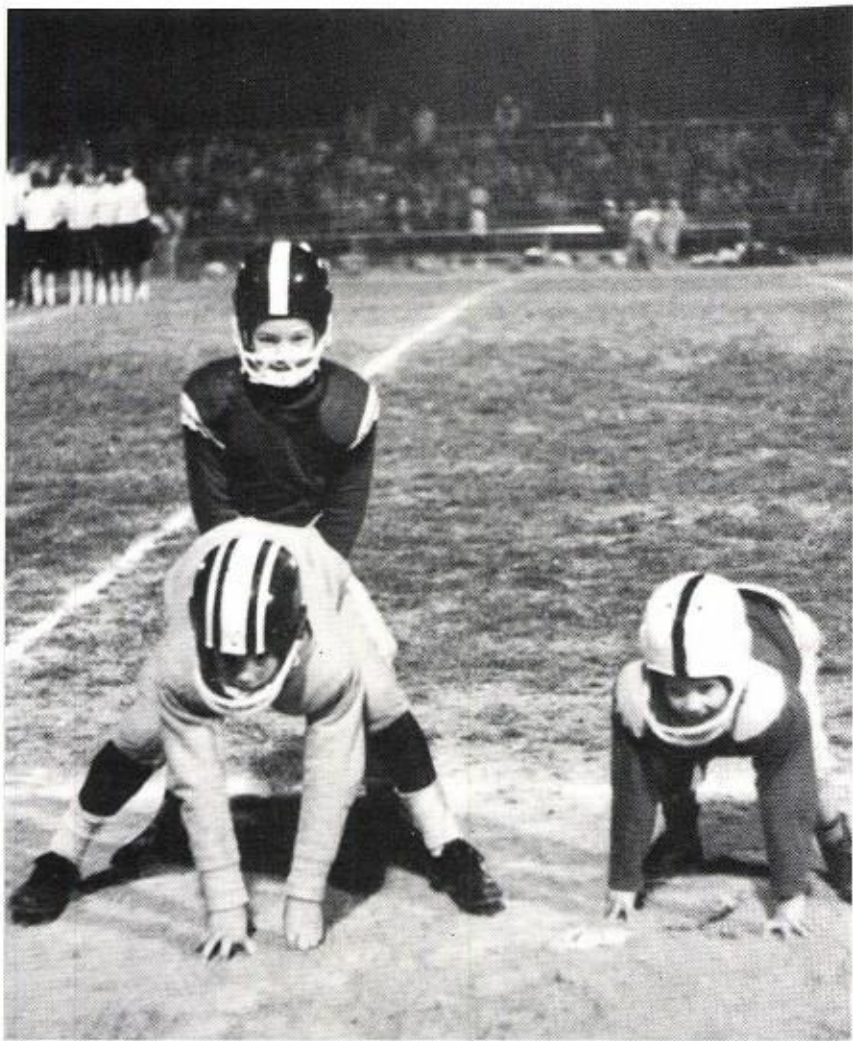

The Lancers closed the 1962 football campaign by defeating the Fairfax Rebels 6-2 on a waterlogged gridiron at Fairfax. Earl Flinchum provided the winning spark by sweeping left and late in the third quarter, for an eight yard touchdown thrust.

Neither side was able to score during the first half, although Fairfax mounted two threats. The conditions of the field were too much for the teams to contend with. A water polo match might have been much more appropriate under the conditions which the game was played.

Tomorrow's Varsity Exhibits Skills In Successful Season

"Catch him — whoever it is."

The Junior Varsity team enjoyed its best season since the opening of Lee five years ago. The team was superbly coached and drilled by coach Tom Hyer. There were few stars on the team, but the successful season was the result of a team effort on the part of all the boys. The team improved as the season progressed and finished the year with a 59-7 victory over Mount Vernon. Coach Hyer molded a well balanced team from a group of relatively inexper-

ienced boys. The backfield was led by Mike Poole at full-back and Randy Moffat and Jack King at halfback. The field general was Steve Northrup. The line was anchored by Bill Eggleston, "most valuable player," and Doug Thompson. Many of the J.V. boys have excellent potential and the experience gained by playing on one of the area's best J.V. teams will help them become Varsity players next year.

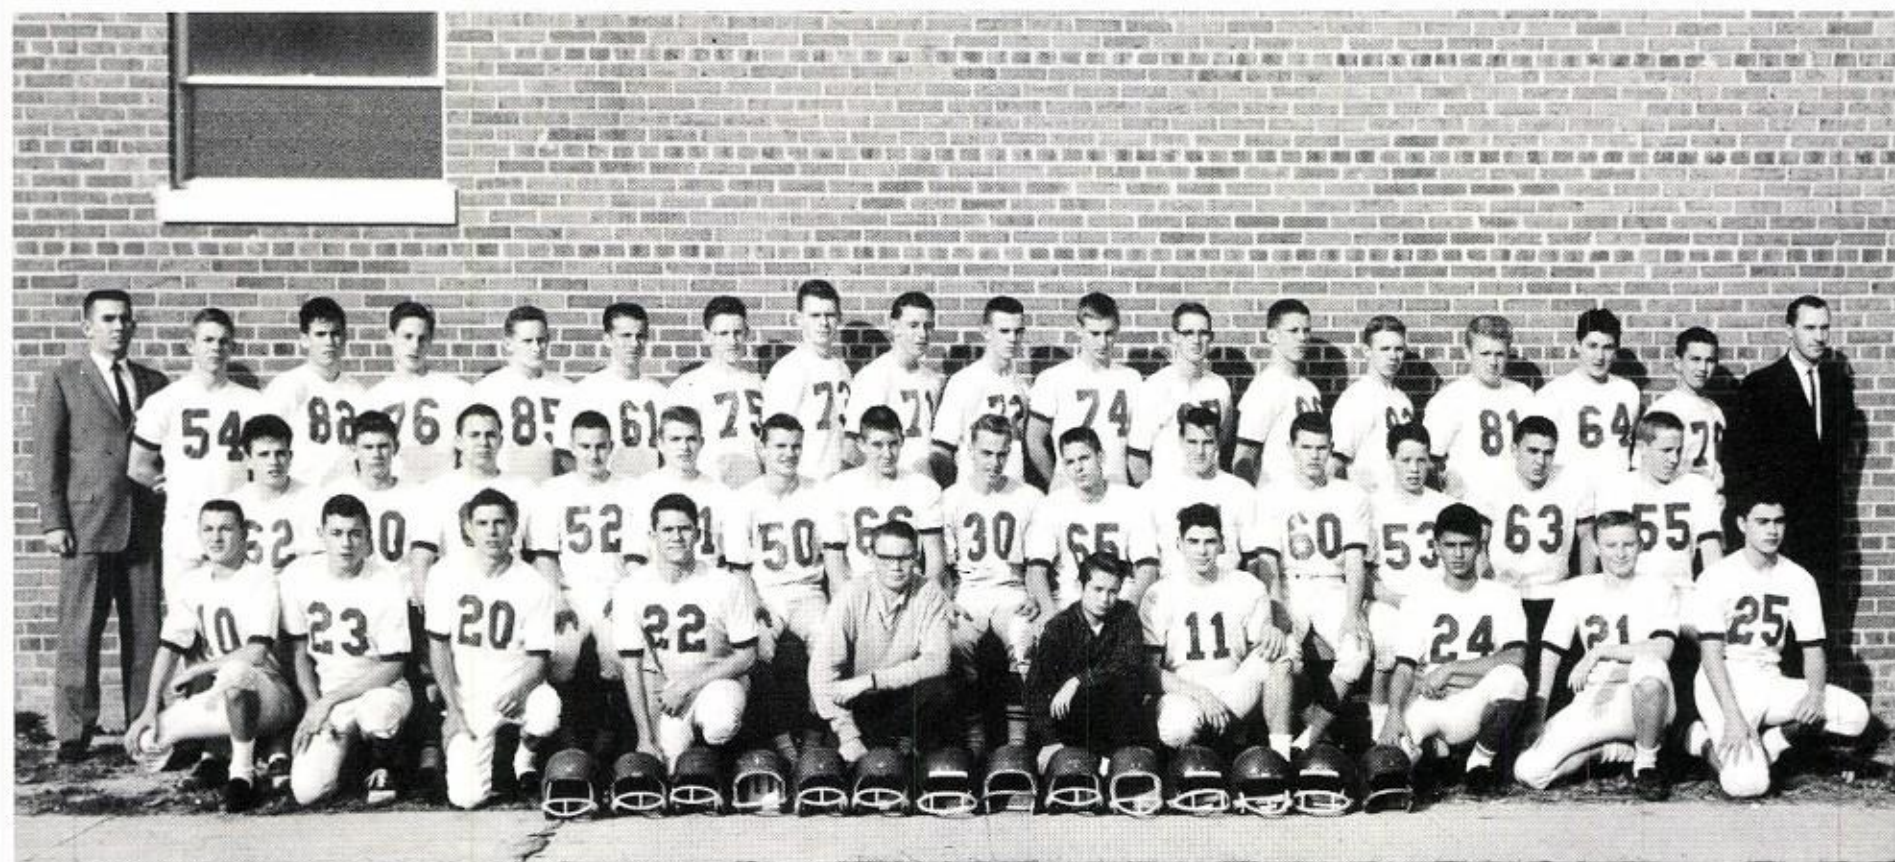

Despite a losing season, the Freshman Footballers learned many of the fundamentals of the sport. Instruction from coaches Brown and Basnight will greatly help them in their attempts to make and aid the Varsity in their coming years. Leading candidates for the Varsity are Lynn Matthews, and John Simmons who was "most valuable player" on the squad.

Just one of the tense moments of the Lancer's basketball season.

The Varsity Basketball Team finished its unluckiest season in five years of competition. The team, co-captained by Bobby Allen, Phil Hogue, and John Schlogl, did their best while being coached by Mr. England.

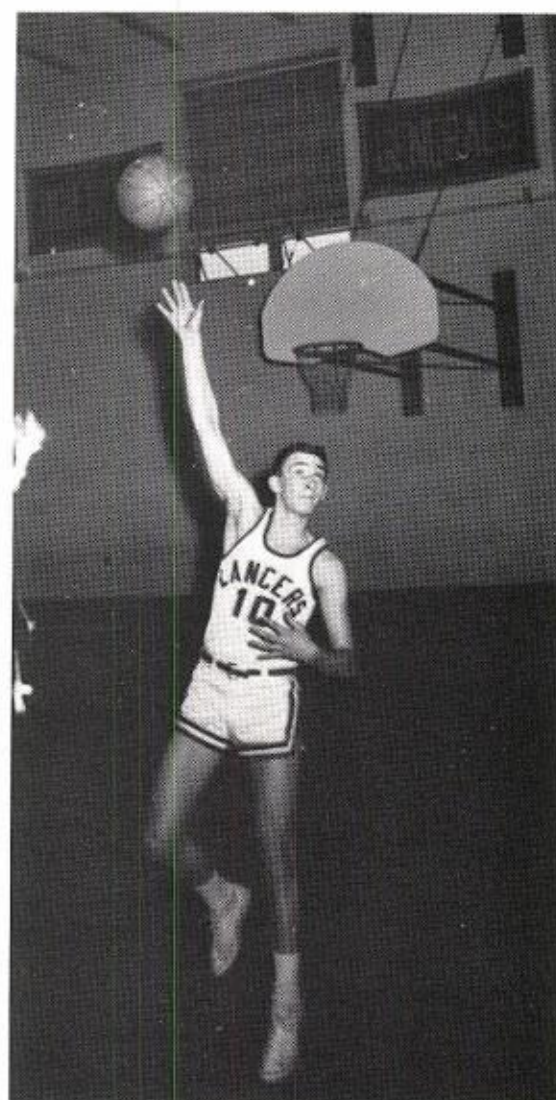

The biggest upset was against Mt. Vernon with a score of 51-35. The Lancers also downed Edison, Osborn, and Woodson—finishing the season with a 4-12 record.

The J.V. Basketball Team of '62-'63 showed promise of brighter things to come for varsity basketball. During the first half of the season, Mike Poole and Bob Lindfelt led the Little Lancers over such teams as Groveton, Annandale, and Woodson, but before the G.W. game Bob and Mike moved up to varsity. During the remainder of the season, Steve Northrup, Jack King, Bruce Ey, and Bill Singleton led the J.V. Although they lost five of their last six games and ended the season with a 10-7 mark, the J.V. has provided valuable experience for many future varsity stars.

This year's Freshman Basketball team was perhaps the best in Lancer history. The Freshmen, coached by "Doc" Shears, compiled a 7-3 record to finish in a tie for second in the county standings. The three games in which they were defeated by a total of twelve points, an average of just two baskets a game, were hard fought. Perhaps the frosh's sweetest victory was their 51-36 defeat of Annandale, who at the time were riding high in first place with a 7-1 record. This year's team will provide much talent for next year's J.V. and perhaps varsity team despite the fact three of its starting players are moving.

The task of leading the school body in support of its varsity team is given each year to seven girls. This year the Lancers were cheered on by a squad consisting of two seniors, two juniors and three sophomores. These girls were chosen in competitive try-outs on the basis of their skill, personality, and attractiveness.

Through many hours of practice, these girls became expert in performing many cheerleading skills; they are a talented and vivacious group. The energy of the seven girls is supplemented by that of the squads two senior male members. Together, these nine have successfully promoted Lee's school spirit.

Lack of Experience Stunted Varsity Wrestling Record

The Lee High Wrestling Team, coached by Mr. Gontis, finished the 1962-63 season with two wins and ten losses. Despite the handicap of inexperience, the team showed great enthusiasm. The sport, still virtually unknown to the students, has made great progress in our four years that it has been at Lee.

To review the season of the varsity squad: John Kalagian, in his first year of wrestling, found tough competition in his 95 pound class. Bruce York, 103 pound co-captain, finished with an undefeated record of 6-0-1. An unfortunate accident late in the season took Bruce out of action.

Arthur Osgood, 112 pounds; Lance Baldwin, 120 pounds; and Toshihiko Nobe, 127 pounds co-captain; all had disappointing seasons. The most surprising of our wrestlers, and the only member of the squad to gain entry to the State Tournament, was Mike Howell at 133 pounds. His final record of 8-2-1 showed his skill and great potential. Mike Swift at 138 pounds, Paul Byrne at 145, Mike Selvitell at 155; as first year men showed potential. In the final two weight classes, 165 and 180 pounds, Dave Cleeland and Art Aguilar showed again the potential that promises a successful season in wrestling next year.

Intramurals provide exercise and athletic experience for girls who want to play sports, but either do not have the time or the talent for varsity sports. Girls' intramurals is an important phase of the athletic program. Ping pong, basketball, volleyball, archery, and bowling are the sports which have been offered, and the great participation encountered has insured the continuation of the program in future years.

The Intramural program is one of the vital assets to students interested in sports. This year Mr. Basnight took charge of the boys' intramural program which included basketball, volleyball, wrestling, table tennis, bowling, and tennis.

Under Mr. Basnight's guidance, boys showed talent and skill in these various sports. The intramural program gave the boys a chance for active participation.

Varsity Hockey Team Witnesses Rough Competition

Varsity Field Hockey coached by Miss Rowe is the fall sport for girls at Lee. It is a rough, challenging sport providing much experience in team play and in individual effort. Physical agility and stamina are two important requisites for all players. This year the varsity team had a 4-3 record and chose Gail Brackens as most valuable player.

Under the able coaching of Miss Vaughan the Varsity Basketball team quickly adapted to the new rules and regulations of the sport. The introduction of the three-bounce dribble and the roving players required renewed effort from the players and a readjustment which was not easy. Because of her exceptional play and important contributions, Jackie Hutchinson was chosen most valuable player by her appreciative teammates.

CLASSES

Lee is made of four separate classes, but they are woven together to make one student body. Every face goes to make up the one face that this school presents to the community. This face is one of youthfulness, intelligence, eagerness, curiosity, and apprehension. It is eager, yet apprehensive for what the future will bring; it enjoys its youth and the experience of growing up. Every face in each class has these same characteristics, only the features are varied. While looking at these faces, watch for the look of Lee High School.

MESSAGE TO THE FRESHMAN CLASS

Less than nine months ago, a large group of new faces appeared in the halls of Lee High School. Anyone reading the expressions on many of those faces could instantly tell that the new comers represented our Freshman Class, the Class of '66.

We knew that many challenges lay ahead, and that it would be up to us to decide the best way to meet those challenges. Most of all, we wanted to establish ourselves as good students and good citizens. In my opinion, I think we have!

We have learned many things, but most of all, we have learned that this is only the beginning and that our greatest challenges lie ahead.

MESSAGE TO THE SOPHOMORE CLASS

As we approach the close of school, we can look back upon our accomplishments with a feeling of pride. This year has been a highly successful one for the Sophomore Class. We have taken one step farther along the road of knowledge and maturity and are better prepared to accept the responsibilities which await us during the next two years.

The other officers and myself wish to express our thanks and appreciation for the time and work many of you have put into class functions and activities. Your enthusiasm and support is more than enough compensation for our efforts.

MESSAGE TO THE JUNIOR CLASS

Our Junior year is drawing to a close and with the changing season we can stop, look back, and review. It's been a *great* year for the "new" Class of 1964, one that I know I'll remember and reminisce about many times in years to come.

Many thanks to you who put your faith and trust in me one year ago. And thanks to you who have worked to make the past year something memorable and worthwhile. I'll never forget you.

Fasten your seat belts for our Senior year now! It may be a rough ride—but it's *destination unlimited!!*

MESSAGE TO THE SENIOR CLASS

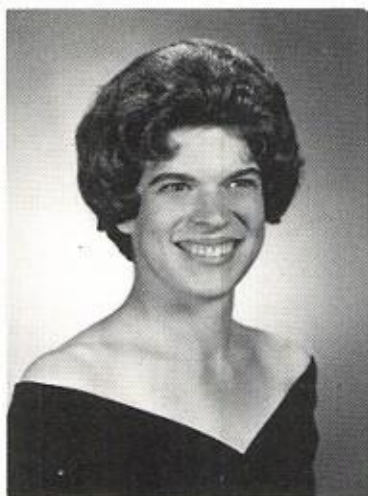

The class of 1963 had its meager beginning five years ago at the opening of Lee High School when a few apprehensive eighth grade students straggled to Lee for the beginning of their high school careers. Today you, the class of '63, have the distinction of being the first class to travel the length of the road of education at Lee. As seniors you have many memories and achievements to look fondly back on. They are memories you will cherish and keep forever. It is without a doubt that you will have gained at Lee, and rise to greater and greater heights, not only as students but as individual citizens of this, the greatest nation of opportunity.

Graduation Ends Fabulous Year for Class of '63

"Do ya luv me?"

Lee Bethune and Sharon Goree discuss "earth skating" problems.

"Which one has the Toni—Beethoven or Bill?"

Mike Gebler admires "drum major-ette" Bill Leffingwell.

"I'll take six dozen of those *darling* little stamps."

First week of school found seniors ordering pictures.

"What's a matter Honey Chile?"
Linda Mack and Corrine Quigley exchange "corn" on Halloween day.

"Within the sacred halls of Lee."
Jim Ellis takes advantage of Senior Halloween day.

Class of '63 Establishes Halloween Tradition

"Ooh Saxy!"
Bill Leffingwell is followed by admirers (?) during Powderpuff halftime show.

Senior girls discovered that football was not a gentle sport when they participated in the Powderpuff Football game. Enthusiasm ran high as girls were divided into two teams, "Mack's Mudballs," captained by Linda Mack, and "Shriver's Strippers," captained by Kay Shriver. The boys became either "attractive" cheerleaders or members of the "Bottle and Comb Corps," a marching band conducted by the eminent dimple-kneed Bill Leffingwell! Kathy Childs clinched the victory for the Mudballs when she scored the game's only valid touchdown; but regardless of bumps and bruises, winners and losers alike agreed that given the chance they would do it again.

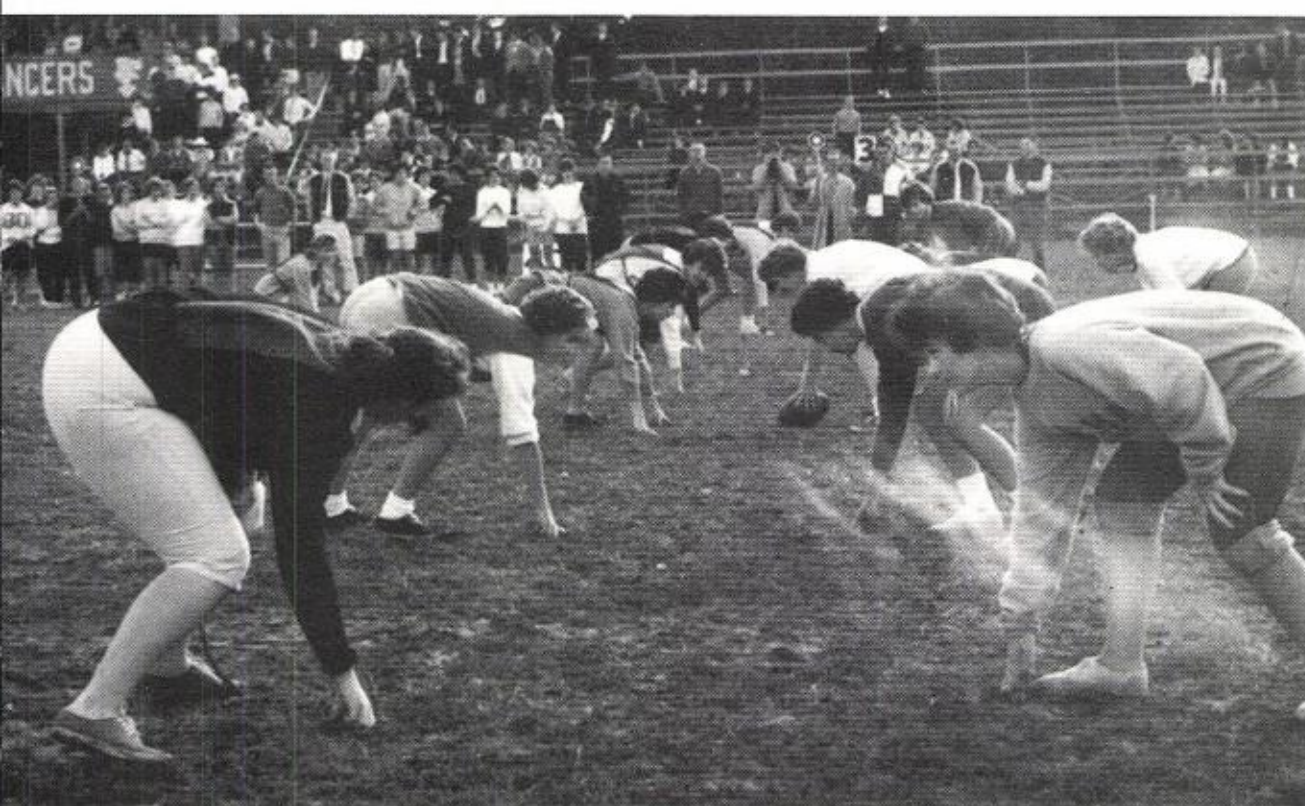

"Eek, your hands are cold!"

Terry Schmidt makes an attempt to escape from Mudballs.

New Seniors Welcomed at Senior Barbecue

"Did someone say an 'action shot'!?"
Seniors gab during Senior Barbecue.

Powderpuff Game Displays Senior Class Spirit

"Eyes left . . ."
The Mudballs line up for play in Powderpuff game.

"Smile, you're on Candid Camera."
The "beautiful" cheerleaders pose for pictures after game.

"Why the smirk Wayne?"

Sharon Pepsin, Wayne Kirby, Diane Cereghino, Bill Leffingwell, and Don Des Jarlais stand before the class after receiving Senior Superlatives.

Seniors Show Good Judgement In Choosing Senior Superlatives

"Don't stick our President."

Class sponsor, Mrs. Cone, enjoys "pinning" Ronnie Dunn, class president, while Lee Bethune, Linda Mack, Gail Brackens, and John Koerber look on.

Sharon Goree	BEST ALL-AROUND	Bill Dakin
Suzanne Reilly	BEST LOOKING	John Koerber
Kathy Childs	MOST STUDIOUS	Don Des Jarlais
Lou Allen	BEST DANCERS	Lee Bethune
Gail Brackens	MOST ATHLETIC	Earl Flinchum
Terry Schmidt	BEST PERSONALITY	Ronnie Dunn
Linda Mack	MOST WITTY	Wayne Kirby
Diane Cereghino	MOST LIKELY TO SUCCEED	Bill Leffingwell

Class of '63 Presents

Liliom

Liliom, the original *Carousel*, was the play chosen by the Senior Class. *Liliom* is a difficult play, not usually attempted by amateur groups and the seniors had only six weeks to prepare it. The actors and committees however, worked hard and after a few minor crises, the play was finally produced in a manner that was surprisingly professional for a student presentation.

CAST

Marie	Rachel Queenin
Julie	Bonnie Tilley
Mrs. Muskat	Lynne Hollingsworth
Liliom	Ronnie Dunn
Servant Girls	Woody Bennett, Karen Percy, Jacquelyn Spratlin
Plainclothesmen	Bob Manes, Warren Simmonton

Louise	Diane Shea

"Here ye, hear ye, hear ye . . ." Liliom, Ronnie Dunn, summons the people at the Carnival.

"Go away and leave me alone!" Liliom orders servant girls Woody Bennett and Karen Percy to stop following him, while Mrs. Muskat, Lynne Hollingsworth, strikes a pose.

"Sonny . . . how cute you look in curlers!" Terry Dobbratz attempts to reassure Brad Fellows that the spray and part *will* brush out.

Seniors Sponsor Easter Egg Hunt for Area Needy Children

"You found a *what* in your Easter Egg?" Skip Kersey "supervises" the consumption of cookies and coke during the Senior Class Easter egg hunt.

"Shall we play 'Ring Around the Rosey' or 'London Bridges'?" Girls from our class organize games for the children.

"Grin and Bear it!" Col. and Mrs. Reilly, Mr. and Mrs. Dakin, and Mr. and Mrs. Schmidt, were the brave souls who sponsored our trip to New York City. Not pictured are Capt. and Mrs. Barnes.

"Give Our Regards

"Senior Superlative for the most mature." Skip Kersey and Cheryl Kuldau board the bus for the trip back to Springfield.

The weekend of April 19-21 found the Senior Class of Lee High School 'invading' New York City. The class of '63 "crammed" a musical, Rockefeller Center, Radio City Music Hall, a 3 hour boat trip around Manhattan, the Statue of Liberty, the United Nations, Coney Island, the Bowery, Chinatown, and Fifth Avenue Shopping into three hectic days. Hotel elevators that were extremely slow, and hotel doors that were extremely difficult to open made the trip even more enjoyable. One hundred and fifty very tired but happy seniors were greeted by sleepy parents at the Springfield Shopping Center 12:30 a.m. Sunday evening — sorry, Monday morning.

Seniors here to solve world's problems. A tour of the United Nations was one of the highlights of the trip to New York City.

To Broadway"

"But I don't want to be on Candid Camera." Diane Cereghino stands by the sign boasting of our Alma Mater.

"Seasick already? We haven't left the dock yet!" Kathy Graaff, Chuck Stout, and Gary Smith don't seem to be looking forward to the Manhattan boat trip.

Olov has done outstanding academic work. In early spring he was inducted into the National Honor Society.

Olov actively supports all school activities.

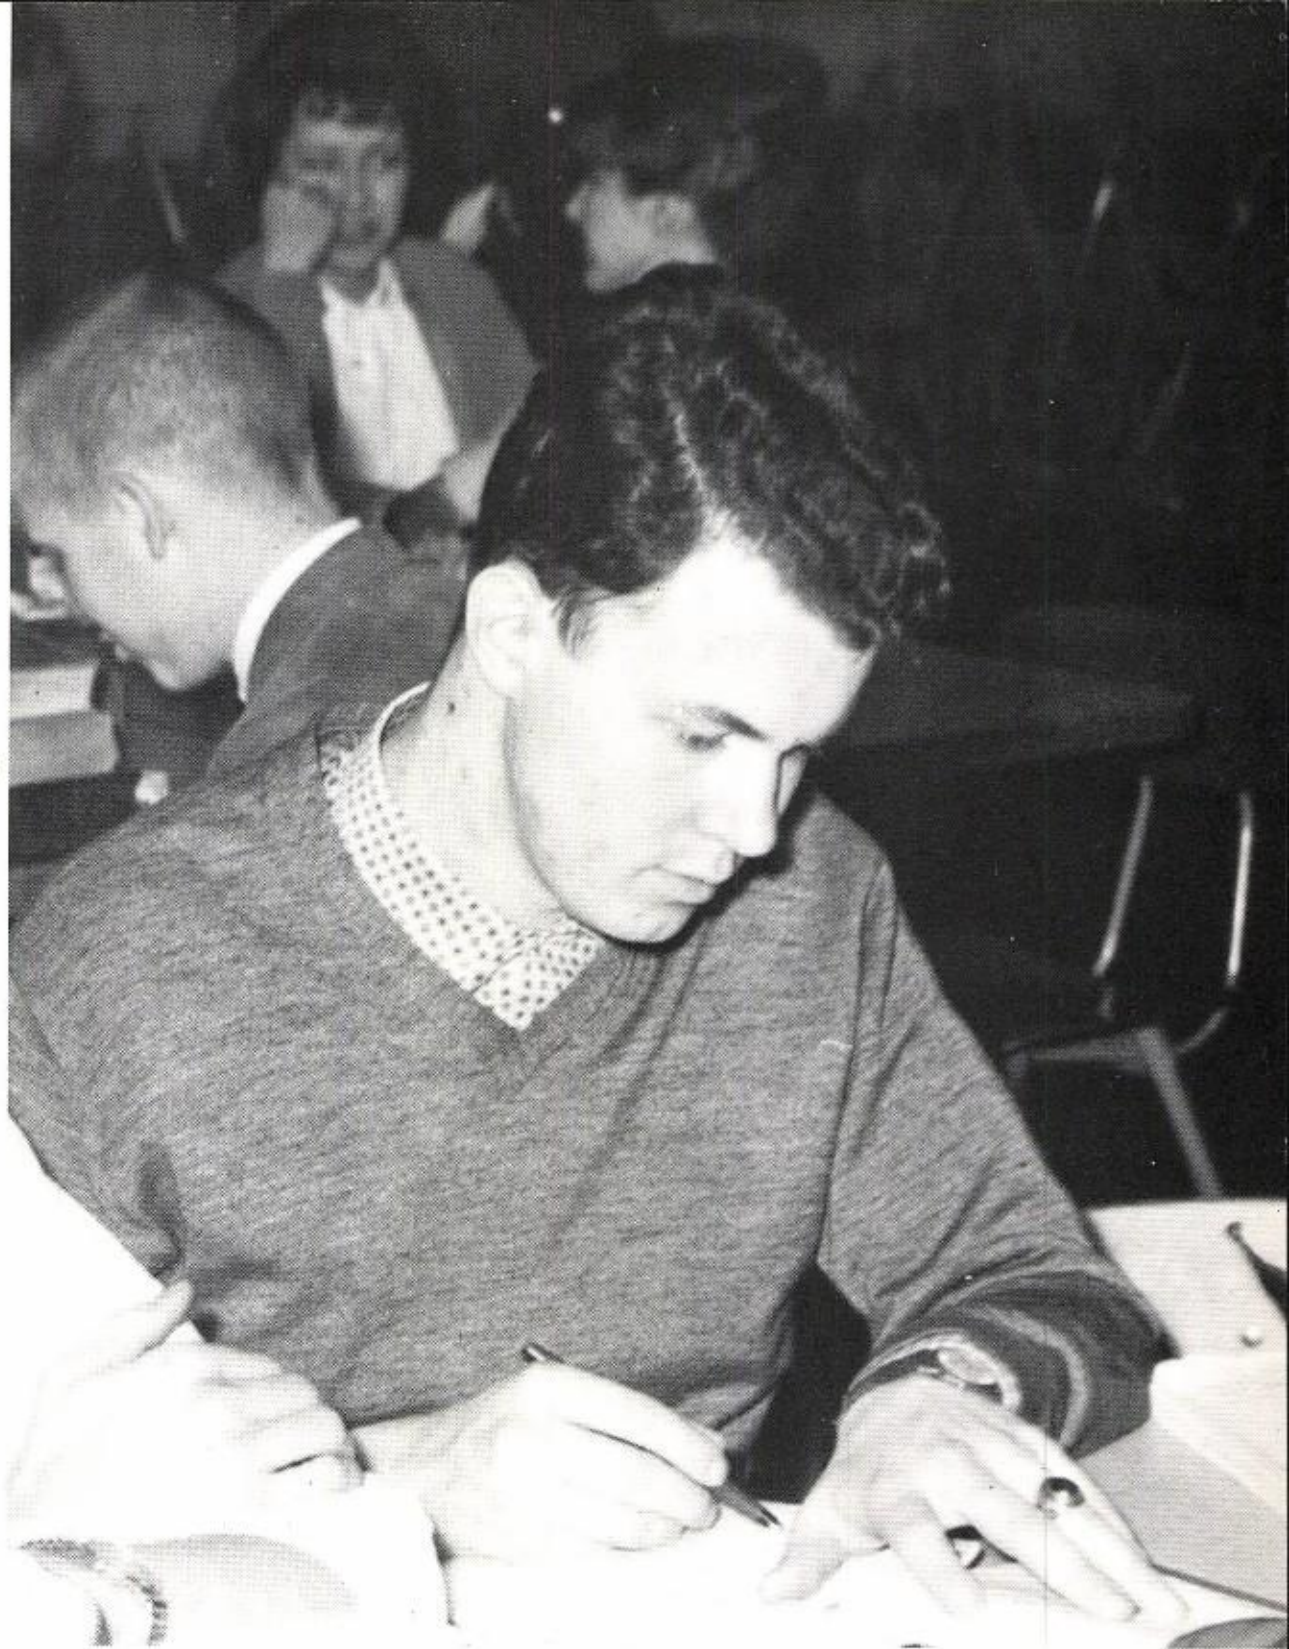

At home with the Singletons—Olov's American family. Seated are Mrs. Singleton, Toni, and Mr. Singleton. Behind them are Olov and Bill.

Sweden's Finest -

Olov was introduced to the student body during a S.C.A. assembly early this fall. Here he chats with a few of his contemporaries.

A warm smile, twinkling blue eyes, and a slight accent identified this year's American Field Service sponsored foreign exchange student, Olov Lindstrom. He came to Lee from Lulea, Sweden, to gain a first-hand view of America and of the American teenager. With rare adaptability he adjusted to American ways and became a friend to many and a valuable international link. His reactions to such things as pizza and the twist were amusing and heart-rending, providing unforgettable memories for himself and for his American friends. Indeed, because of his sparkling humor and pleasant way with people, Olov found a permanent home in our hearts and a lasting place in our memories.

Our Foreign Exchange Student - Olov Lindstrom

As a member of the Key Club, Olov helps to collect money for the Easter Seal drive.

ADVERTISEM

We are grateful for the sponsorship of the businessmen of Springfield. It was their co-operation and faith that made the 1963 Shield a reality. Thank you all, very much.

"I think I put the carbon paper in backwards."

LEE HIGH SCHOOL GOLD AND BLUE

To you Lee High we all do sing
the praises of our high esteem.

Your banners fly both GOLD AND BLUE
to you we will be true.

We'll raise our song from hearts sincere
to one we'll hold forever dear.
So hear our song of praise unveil
to LEE we sing all hail!

Your bells of truth and honor are
the dearest of them all by far.

Forever shall true spirit be
within the halls of LEE.
